

A Quick & Easy Guide to Selecting Wrestling Mat Colors

Choose from 26 Standard Colors

Resilite's wrestling mats, Kwik-Stik wall padding, lettering, logos, and insignias are available in 26 standard colors. Special colors are available upon request for an additional charge.

Resilite uses only the finest quality Polyvinyl Formula Coating for our mats and wall padding. Color names are not standard across the world and Resilite's colors do not match other mat manufacturer's colors or names. Look for the color that best represent your school or logo colors. The color swatches below are close to Resilite's vinyl paint colors; however because of printing limitations, please contact your Resilite Dealer to view actual swatches before selecting desired colors.
